

# Central Florida Orff Chapter 2023 Teacher Education Course -Level I Scholarship Application

CFOC has been in existence since 1983. Due to the generous support of the membership and subsequent growth, our Chapter is able to financially sponsor up to three scholarships. In addition, the levels committee will be awarding an additional scholarship. This is for the registration fee only at a CFOC sponsored course. The participant will pay any other charges such as credit hours, housing and transportation.
